接種復必泰疫苗 (BioNTech)

認識流程
作好準備

1 核對個人資料

你叫甚麼名字?

2 坐下或躺下

4 消毒

酒精棉
Alcohol Pad

5 接種

6 貼上膠布

BioNTech

Get ready!
Let's see
what to do

1 Check personal information

What's your name?

2 Sit down / lie down

4 Disinfection

酒精棉
Alcohol Pad

5 Injection

3 Find vaccination area on thigh

6 Put on band-aid

打針緊張不緊要，小朋友可以玩遊戲分散注意

It's OK to feel nervous, let's play some games to diverse attention

Breathing exercise to ease tension

疫苗接種任務：舒緩緊張秘笈

深呼吸練習 Take deep breaths

WHAT DO YOU SEE

你看到什麼

小朋友完成程序，值得鼓勵，家長可以如何支援

1 即時讚賞和鼓勵

你可以...

- 俾叻
 - 擁抱
 - 說出鼓勵說話: 你真勇敢! 做得好! 好合作!
 - 與孩子一起做他/她喜愛的事
- ✗ 不比較，不批評

2 觀察及聆聽孩子的感受

你可以...

- 用15分鐘時間與孩子分享感受(年長孩子更適用)
- 向孩子說與疫苗或注射相關的故事，引導他/她們分享自己的感受
- 聆聽時，接納孩子正負面情緒
- 準備不同活動如聽音樂、玩遊戲、繪畫等，幫助孩子抒發所想所感

3 作好準備，正面迎接下一次接種

你可以...

- 與孩子一起記錄下一次接種日期
- 重溫及講解相應程序
- 一起商討抒壓及應對方法(家長們可以分享正面的經驗)
- 一起挑選孩子喜歡的事情，用作等候或分散注意力(玩小遊戲、看圖書、抒壓玩具等……)

Tips for supporting your children after vaccination

1 Immediate positive regards and encouragement

You can...

- Give a thumbs up
- Hug them
- Words of encouragement:
You' ve been so brave! Well done! So cooperative!
- Join your children do their favorite things
- ✗ Do not make comparisons, do not criticize

2 Observe your child and listen to them

You can...

- Spend about 15 minutes to listen your children' s feelings (more applicable to older children)
- Share vaccine-related stories with your children, guide him/ her to express feelings and emotions
- Show acceptance of positive and negative emotions
- Prepare different activities such as music, games and arts to help your children express himself/ herself

3 Prepare for the next dose

You can...

- Mark the date of second dose) together with your children
- Recap and explain related procedures
- Discuss ways to de-stress and coping strategies (share positive experiences with your child)
- Select play materials or toys with your children. He/ she can play while they are waiting and materials can be used for distraction purposes. (Games/ story books/ fidget toys, etc.)
